INSTRUCTIONS

REMINDER: Please provide your current limited entry permit with the completed transfer request form.

SECTION A - ACTION(S) REQUESTED: Please check the box(es) next to the action(s) requested. Fill out the sections listed for each action. If multiple permits are being combined to either increase the size endorsement or to stack (sablefish-endorsed only), a separate form must be completed for each permit. For actions that include a change in vessel registered to a sablefish-endorsed permit, there are three sub-actions that can be taking place (stacking, moving, or removing).

1. If a sablefish-endorsed permit is being **stacked**, going from an "unidentified" vessel status to a named vessel, check the first sub-box under "change in vessel registered to a permit."
2. If a sablefish-endorsed permit is being **moved**, going from one named vessel to another named vessel, check the both sub-boxes under "change in vessel registered to a permit."
3. If a sablefish-endorsed permit is being **removed**, going from a named vessel to an "unidentified" vessel status, check the second sub-box under "change in vessel registered to a permit."

SECTION B - CURRENT PERMIT OWNER: List the permit number, name of the vessel currently registered to the permit, and vessel registration number. List each permit owner(s) as given on the current permit. Enter the Social Security Number(s) (SSN) or Tax Identification number (TIN) for the current permit owner(s). This section must be signed by an authorized individual for business entities or all individual permit owner(s) required to sign for NMFS to implement the designated actions (**See NOTE 1 below**). A signed and dated corporate resolution is required from business entities authorizing an individual sign the form on behalf of the corporation/partnership. The current permit owner(s) or authorized permit owner(s) must sign and date the application in the presence of a notary to certify that the individual(s) signing their form have satisfactorily identified themselves. The notary must sign and date the certification statement, and affix their notary stamp or seal. By signing and dating the application, the applicant certifies that all information set forth in the application is true, correct, and complete to the best of the applicant's knowledge and belief.

If the space provided in this section is not adequate to list all owners required to sign the form, attach a separate sheet with the heading: "Section B - Current Permit Owner - Attachment." Please provide owner names, SSN/TIN, signatures, and date of signature and notarize the separate sheet. Note the Privacy Act Statement at the end of the application.

SECTION C - CHANGE OF VESSEL REGISTERED TO PERMIT: If you are changing the vessel registered to the permit, please indicate the name and registration number of the current vessel listed on the permit on the left side of Section C and list the name and registration number of the new vessel on the right side of Section C. List the length overall of both the current and new vessels. If the permit is not being registered to a specific vessel, indicate "unidentified" for the new vessel name. **A marine survey must be provided for a vessel not currently registered to a limited entry permit to verify length overall. A copy of the current U.S. Coast Guard Form 1270 Certificate of Documentation must be included with the transfer form to verify vessel ownership by the permit holder.** The survey must contain the following statement: "I certify that I am a accredited marine surveyor and that this measurement of length was conducted in accordance with the U. S. Coast Guard method of determining length overall (46 CFR Ch.1, Subpart B, 69.203) and the length overall was determined to be ___feet"

SECTION D - NEW PERMIT OWNER: List each new permit owner's name(s), a business address and phone number. Enter the Social Security Number(s) (SSN) or Tax Identification number (TIN) of the new permit owner. If the space provided in this section is not adequate to list all owners, attach a separate sheet with the heading: "Section D - New Permit Owner - Attachment." Please provide owner names and their SSN or TIN. Note the Privacy Act Statement at the end of the application.

SECTION E - PERMIT HOLDER(Vessel Owner): If you are requesting that NMFS register a new vessel to the permit, please list the owner(s) of the vessel as given on the USCG 1270, Certificate of Documentation or state vessel registration document in this section. If the holder of the permit is different than the permit owner (as in the case of permit leases), list the individual(s) or business name, address and phone number. If the permit holder is different from the listed permit owner, enter the Social Security Number(s) or Tax Identification. If the space provided in this section is not adequate to list all owners, attach a separate sheet with the heading: "Section E - Permit Holder - Attachment." Please provide owner names and their SSN or TIN. Note the Privacy Act Statement at the end of the application. If removing the permit holder, just check the box "remove holder" in the section but do not fill out the rest of the section. The permit holder must be the same as the vessel owner as stated in regulation at 50 CFR Part 660.333(a). A new permit holder of a sablefish permit that is business entity (i.e.; corporation) must file an ownership interest form as part of the transfer request.

Eligibility to own or hold a West Coast Groundfish Limited Entry Permit: Please note that a West Coast Groundfish Limited Entry Permit may be issued or may be held only by a person eligible to own a documented vessel under terms of 46 U.S.C. 12102 (a).
